

127a - Diary of a Self-Builder: How We Built Our Own Home: Neither a how-to nor a how-not-to, but a how one self-builder happened to build his own home guide

During the building of his own house Robert Bagnall kept a detailed blog, part site diary, part therapy, which gathered a small but committed international following. He has now updated, expanded, further illustrated and even spell-checked the blog, making it neither a how-to nor a how-not-to, but a how one self-builder happened to build his own home guide.
