

Low-Maintenance Gardens: 10 simple steps to beautiful, easy and stylish outside spaces

Growing a beautiful garden-even with a busy lifestyle For those garden lovers who thought keeping a garden of their own meant hours of work they simply couldnt spare, this fun and practical guide makes even a beautiful garden possible-in only an hour a week. With plans and photographs of ten model gardens, the book reveals the tips and tricks of setting up, as well as the basics-from plant design, plant choices, and watering to lighting, decorations, and wildlife. Arranged in an easy-to-read, magazine-style format, this fast-gardening guide is the ideal how-to for anyone who wants an eye-catching garden-that requires little or almost no maintenance.
