

How to Dress Salmon Flies: A Handbook for Amateurs (Classic Reprint)

Excerpt from How to Dress Salmon Flies: A Handbook for Amateurs It will be admitted generally that for the purpose of learning the art of dressing flies one hours practical demonstration by an expert will be of more service than whole volumes of written directions. Nevertheless, the latter are, I think, of some use, and will at least serve the purpose of permanently recording certain points of manipulation to which attention may have been drawn in a practical demonstration and which are apt to escape the memory. Verbal precept, backed up though it may be by ocular demonstration, will, by itself, be of no more permanent service than the mere written word. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
