

The Shift: One Nurse, Twelve Hours, Four Patients Lives

Compelling and compassionate human drama. If you want to understand how modern medicine ticks, fasten your seat belt and spend a day in the hospital with Theresa Brown on *The Shift*. Danielle Ofri, MD, author of *What Doctors Feel* In a book as eye-opening as it is riveting, practicing nurse and regular contributor to the *New York Times* Theresa Brown invites us to experience not just a day in the life of a nurse but all the life that happens in just one day on a busy teaching hospitals cancer ward. In the span of twelve hours, lives can be lost, life-altering treatment decisions made, and dreams fulfilled or irrevocably stolen. Every day, Theresa Brown holds these lives in her hands. On this day, there are four. Unfolding in real time under the watchful eyes of Theresa Brown--a dedicated nurse and an insightful chronicler of events--we are given an unprecedented view into the individual struggles as well as the larger truths about medicine in this country. By shifts end, we have witnessed something profound about hope and humanity. This meticulous, absorbing shift-in-the-life account of one nurses day on a cancer ward stands out for its honesty, clarity, and heart. Brown . . . juggles the fears, hopes, and realities of a 12-hour shift in a typical urban hospital with remarkable insight and unflagging care. Her memoir is a must-read for nurses or anyone close to one. Publishers Weekly, starred review An empathetic and absorbing narrative as riveting as a TV drama. Kirkus Reviews I am filled with awe and gratitude for the work that the nurses like Theresa Brown do every day. She captures perfectly their central role in any patients life! Susan M. Love, MD, chief visionary officer, Dr. Susan Love Research Foundation, and author of *Dr. Susan Loves Breast Book*
