

American Angler Guide to Fly Fishing for Trout: Proven Skills, Techniques, and Tactics from the Pros

The American Angler Guide to Fly Fishing For Trout will, within a brief 176 pages, provide the beginning and intermediate angler with everything they need to know in order to successfully fly fish for the most popular quarry in America. It will contain the essentials of casting, the basics of both dry fly fishing and wet fly fishing, a primer on various species of trout, and an overview of prime destinations for planning your trip. Presented in 4-color, there will be forty to fifty color photographs as well eight to ten line drawings illustrating casting and knot-tying fundamentals. The American Angler Guide will be matched with Fly Tyers Guide to Essential Trout Flies.
