

Career Success Strategies for Nurse Educators

With each passing year more and more nursing educators retire, and larger numbers of retirees are expected in the coming years. Using their own experience and the knowledge gained from their work, our authors have written this unique and timely book that strives to fill the needs of new and forthcoming nursing faculty. Career Success Strategies for Nurse Educators is an essential book for graduate students, advanced practice nurses, and new graduates seeking faculty positions as they embrace a new role as nursing educator.
