

PortAPack Systems Set

This pack of five portable charts is a valuable reference tool and study companion, ideal for on-the-go practitioners and students. The systems in this set include: Muscular, Skeletal, Nervous, Circulatory, and Digestive. Each double-sided chart includes labeled illustrations and key facts pertaining to the specific system. The laminated surface of the charts allows the user to write on/wipe off with a dry erase marker (marker not included). These 8.5 inch x 11 inch charts can be three-hole punched for binder storage, without losing any of the content.
