

Days in Thule With Rod, Gun, and Camera (Classic Reprint)

Excerpt from Days in Thule With Rod, Gun, and Camera The foundations of this book were laid in the columns of the Field and Graphic, and I have much pleasure in gratefully acknowledging the courtesy shown me by the editors of these admirable journals. I have added several stories to the little edifice, have remodelled and planned, decorated inside and out, roofed in, and now offer the result to the critical gaze of the reading public. This is a simple record of life in a Hebridean shooting-lodge. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
