

A concise, yet complete clinical reference on dermatology in the highly practical question-and-answer format of The Secrets Series +. This edition features over 400 color illustrations. Each chapter covers an important dermatology topic by asking key questions and providing helpful answers relating to that topic. This completely new edition covers all aspects of dermatology from evaluation and diagnosis of dermatologic conditions through standard and emergent treatment options.

Outlines of Practical Histology: A Manual for Students, Vegetable Materia Medica of the United States Volume 2; Or, Medical Botany: Containing a Botanical, General, and Medical History of Medicinal Plants I, Shamanism and the Eighteenth Century (Princeton Legacy Library), Teaching Children with Speech and Language Difficulties, Study Guide for Frisch/Frisch's Psychiatric Mental Health Nursing, 3rd,
