

For best results for your veterinary patients and your practice, client communication should be clear and consistent throughout the practice. Your front office staff should feel just as informed and empowered as your technicians and associates when talking to clients. The second edition of *Educating Your Clients from A to Z* has been completely refreshed and rewritten to reflect changes in veterinary medicine, marketing strategies and communication principles over the past ten years, including: - How to educate clients and diagnoses and treatment plans - New information on nutritional supplements, joint disease, cancer treatment and positive training methods Using 16 proven communication mantras, this tool covers 26 topics, from appointments to zoonotic diseases, and includes definitions of all advanced medical terms for greater understanding across the team. Entertaining, well-organized and easy to read, *Educating Your Clients from A to Z* features real-world examples and scripts that teach the basics of communication as it relates to the veterinary industry, taking the guesswork out of talking to clients.

The Telengits of Southern Siberia: Landscape, Religion and Knowledge in Motion (Routledge Contemporary Russia and Eastern Europe Series), Understanding Health Economics (Health Care Management), Tuberculosis in India: A Political Ecology Approach, Medical Nursing(Chinese Edition), Biostatistical Microcomputing in Pascal (Probability & Statistics), A Discourse of Matters Pertaining to Religion (Classic Reprint), Removable Orthodontic Appliances, The Great Globe Itself: A Preface to World Affairs,
