

In this book we examine Judaism, Christianity, and Islam in detail. We look at Buddhism and atheism and help you understand why many have chosen to seek other alternatives to mainstream religion. Many people fear the possibility that all they know to be true might be a farce, and organized religion has made it hard for true seekers of spirituality to feel secure about any particular belief system. Thus, the increasing number of agnostics, free-thinkers, atheists and people who have desisted for the most part, from their search for The Answer. Your quest for knowledge and truth begins now. Does religion really matter? Here is The Answer.
