

Selectivity: The Theory & Method of Fly Fishing for Fussy Trout, Salmon, & Steelhead

Wow. What a book and what an undertaking. This should be a must-read for the most exacting fly fisherman. I would guess that it will be one of the most important reference volumes ever written. It should be read and re-read many times.--Ed Sherk, author of Ed Shenks Fly Rod Trouting Strategies for fooling tough fish in all types of environs, from tailwaters to spring creeks to Gaspé salmon streams Breathtaking photos from the top streams around the world Hundreds of innovative fly patterns with recipes and notes
