

Physicians Desk Reference 2009 (PDR, 63rd Edition)

The new 2009 Edition of PDR[registered] is now here - ready to provide the vital information you need to know about all the newly approved drugs available. PDR[registered] has been the authoritative source of FDA-approved information on prescription drugs for more than 62 years. No medical reference is more comprehensive, more current, more user-friendly, or more recognized and respected. The 2009 PDR[registered] includes more than 3,000 drugs organized by brand and generic name, manufacturer and product category. It also provides usage information and warnings, drug interactions, plus more than 1,800 full-size, full-color photos, cross referenced to the drug. And this year its even more important to receive your new PDR[registered], since there are so many new treatments youll want to learn about including: Afluria, Doribax, Exforge, Ixempra, Kuvan, Renvela, Tekturna, and, Xyzal.
