

# Handbook for the New Health Care Manager

It has been nearly a decade since the first edition of the Handbook for the New Health Care Manager was published. During that time, dramatic changes have taken place in the health care industry and particularly in health care management. Written as a hands-on guide for both novice and seasoned managers, the Handbook for the New Health Care Manager, Second Edition offers a wealth of practical strategies, procedures, and methods that are designed to meet the myriad challenges of today's health care marketplace. This thoroughly revised and updated edition features new information on numerous topics.
