

Signs of the Times

Designed for use as a classroom text, this book is a useful beginning contact-signing book. It presents 1185 signs, organized into 41 lessons. Each lesson contains clear illustrations of all vocabulary, English glosses and synonyms, sample sentences to define vocabulary context, and practice sentences to clarify sign language usage. It includes suggestions for teachers and a reference reading list. Mind ticklers enliven the lessons with hints, tips and mnemonic devices. The content of each lesson makes the book easy to use. The unique feature of the signs being repeated in the sentences throughout the book provides practice opportunities for the students. The large illustrations should make the learning process fun.
