

Health Assessment and Physical Examination (Health Assessment & Physical Examination)

Gain confidence and competence with Health Assessment & Physical Examination, Fourth Edition! Promoting healthy outcomes in patients begins with thorough and knowledgeable assessment, a key nursing responsibility. As you develop and refine your examination skills, you will learn to view the patient from a holistic perspective of not only physical well-being, but social, spiritual, emotional, and psychological health as well. With Health Assessment & Physical Examination, Fourth Edition, you will gain the confidence and technical skills required of a competent and well-trained professional.
