

Home Design Ideas

This is a customized guide to designing, decorating and furnishing your home. Each room presents special challenges, as well as common ones such as flooring and lighting. Whether its a stylish but practical kitchen floor or bedroom storage you need, advice is on hand from Caroline Clifton-Mogg, Joanna Simmons and Rebecca Tanqueray. Every room is discussed, and just some of the topics they cover are: dealing with galley kitchens; housing technology in the living room; bedroom lighting to adapt from morning rush to relaxation; choosing bathroom sanitary ware; teenagers rooms; home office workstations; and outdoor dining. Each chapter includes case studies so you can Get the Look, from a professional-style kitchen to an elegantly understated living room.
