

# Redfish: All You Need to Know About When, Where, and How to Catch Reds

A lively and instructive guide to catching this popular game fish. Renowned author and angler Pete Cooper, Jr., describes in vivid, often humorous detail the ways and means to catch red drum, a.k.a. redfish, found in fresh- and saltwater bodies of all sizes and depths from south Texas all the way to Chesapeake Bay. Coopers textbook lessons and personal anecdotes combine to create an informative and entertaining read. His tips cover everything from how to dress, selecting tackle and bait, sizing up the water and how to move slowly and stealthily in it are guaranteed to help you catch reds. Also included are delicious recipes to make with your catch. 25 black-and-white photographs
