

Lets Talk Social Skills cards are designed to build stronger communication skills. The social skills topics can be used as a therapeutic activity, a warm-up exercise, or a closing game. Communication partners practice engaging in conversation with peers and adults by addressing statements or asking and answering questions that are typically discussed in a variety of social settings. Topics of this title include: negotiation skills, conversation skills, self-perception, physical and verbal reactions, friendship, personal responsibilities, greetings, closures, talents and interests, setting social plans, reading non-verbal communication and topic management. The use of these cards will help build valuable social interaction skills.
