

Handbook of Physician Office Letters with CDROM

Writing a business letter from scratch is a slow, tedious process. The Handbook of Physician Office Letters is an effective tool to make letter writing fast and easy. It has over 175 sample letters, including letters to patients, suppliers, insurance companies, and hospitals. Also, a diskette is included with all of the letters in easy-edit format. This source book is a must for professionals who need to know what information a good letter should contain, what the tone of those letters should be, and what form they should take.
