

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Doppler Color Imaging, 1e (Contemporary Issues in Nephrology), Study Guide to Accompany Medical-Surgical Nursing, Health & Illness Perspectives By Carol Green, 7th Edition;, Eurhythm, Thought in Action: The Principles and Practice of Vocal and Physical Therapy, Designed for the Use of Teachers and Students of Vocal and Physical Education (Pref 1921), Digital Radiography and Three-Dimensional Imaging, Introduction to occupational therapy, Foundations in Nursing and Health Care: Law and Ethics,
