

Meditations with God: Conversations with Swami Aakass Deep on the ESSENCE OF ALL RELIGIONS

Never in the history of mankind has a book like this been written. Meditations With God will be used to uplift human consciousness, to understand the importance of all Existence, in Nature and the Universe, and to confirm that all of us are interconnected and responsible for creation. The Masters were many, the Message was one. Each Scripture is specifically referenced and accompanied by a response from Aakass Deep, and is expressed in a simple, straight-forward manner. This material was joyfully prepared from the recordings of conversations and sharing of Ancient Wisdom with Aakass Deep, at the Kuala Lumpur Theosophical Society centre during 1998-99.
