

Hoh River (Steelhead River Journal, 3)

Steelhead River Journal is a book series with each issue featuring one famous steelhead river in full color, authored by one writer who knows the river well. Color photographs show the river in all its seasonal moods. The angling history of the river is included as well as a fly plate showing the most productive patterns. A color map assists the reader in finding specific locations. Included is information about techniques, steelhead seasons, lodging, guides, tackle shops, and other sources of information for visiting anglers.
