

Novel Interiors: Living in Enchanted Rooms Inspired by Literature

For those who have ever lost themselves in the stylish worlds of novels like *Sense and Sensibility*, *The Age of Innocence*, *Wuthering Heights*, *The Picture of Dorian Gray* and countless others, this design book embraces the fantasy of time and place, showing you how to bring some of those elements into your own home. Lisa Giramonti inspires a new approach to decorating: by teaching us through the lens of worlds we may already know and love. With gorgeous photographs by World of Interiors photographer Ivan Terestchenko, aspirational quotes, and tailored reading lists, *Novel Interiors* reveals the essence and details of interiors mentioned in great literary works. This is a stunning, photo-driven book that shares enchanting and timeless ways to live more elegantly.
