

Nursing in Today's World

This vibrant full-color issues and trends text presents basic concepts underlying professional nursing along with contemporary issues affecting the profession, including educational preparation, health care finance, legal responsibilities, and ethics/bioethics. Critical Thinking exercises are embedded throughout the chapters. Key terms and concepts are highlighted in bold. The Eighth Edition features focus questions, more leadership and management content, web resources, and updated cartoon images. Instructors resources include a CD-ROM with an instructors manual, test generator and the Connection Website, connection.LWW.com/go/ellis.
