

Nursing Leadership, Management and Professional Practice for the LPN/LVN: In Nursing School and Beyond (NURSING LEADERSHIP, MANAGEMENT & PROFESSIONAL PRACTICE FOR THE LPN/LVN)

The expanded title, In Nursing School and Beyond, means that there is expanded coverage for students and added utility for course presentation in Mary Ann Anderson's new 3rd edition text. Anderson has combined the early-curriculum content covered in her own To Be a Nurse: Personal/Vocational Relations for the LPN/LVN text with the late-curriculum leadership and management content found in the previous editions of this book. This approach provides you with the only book that you and your students will need to examine professional practice issues throughout the entire LPN/LVN curriculum.
