

## The Best Kept Secret to Neck and Back Pain Relief : A Chiropractic Approach to Pain Management

What Is Chiropractic? That is a question that many people ask, especially as they consider alternatives. Yet, depending upon whom they ask, they will get many different answers. Dr. Phillip Nicolas book will explain what chiropractic is to you in terms you can understand. His book, *The Best Kept Secret to Neck and Back Pain Relief : A Chiropractic Approach to Pain Management*, will also: Show you the rigorous training chiropractors go through in order to practice in their field. Explain what true health is Discuss nutrition and how it affects health and wellness Teach how chiropractic relieves pain Show why athletes of all fields use chiropractic How medical doctors and chiropractors can work together for your benefit And Much More! Chiropractic will help you discover the true wellness lifestyle through adjustments and supportive therapies. You will learn the natural way to better health. After reading this book you will understand why chiropractic is safe and effective and can be used for so much more than back and neck pain. Learn today why Chiropractic Is Right For You!
