

An authoritative resource for developing and implementing a high-risk perinatal home care program! HIGH-RISK PERINATAL HOME CARE MANUAL objectively presents cost savings and other benefits of perinatal home care. It discusses both complications of pregnancy and complications related to underlying disease, and includes a care plan for each complicating factor. The text also discusses the nuts and bolts operational issues, including staffing, equipment, supplies, record keeping, billing, marketing, reimbursement, legal and ethical issues, quality, and risk management.* Provides comprehensive home care planning guidelines for both common pregnancy complications and pregnancy with pre-existing maternal disease -- complete with care plans for each complicating factor * Covers operational issues such as staffing, equipment, supplies, documentation, marketing, reimbursement, quality, and more
