

## Towards a Discipline of Nursing, 1e

The first book to provide a wide-ranging Australian contribution to nursing theory. For the first time Australian nurse academics have the opportunity to present their thinking in a sustained piece of writing, and to invite the scrutiny of their peers. Towards a Discipline of Nursing is a milestone in Australian nursing publishing. Features: \* Provides a rich resource for analysis, debate, research, and further theoretical development. \* Offers controversial interpretations of, and responses to, conventional wisdom \* Contributions from outstanding Australian nurse theorists
