

## Reflections

A book of inspired poetry by Carol. Enjoy poetry, meditations and reflections from a World Server. As you participate/sense/open to these thoughts, keep your own perceptions as well. This volume introduces a manner we can each use to explore the inner and outer realms. Ponder on the way you respond to the sacred settings in which you find yourself. The reflection of high consciousness and a mystical viewpoint are evident in this anthology of Carol Parrish-Harras poetic journal entries of pilgrimages and meditations spanning three decades. Maggie Webb-Adams diligently mined the treasure-trove of Carols writings and extracted gems for all of us to enjoy as we reflect upon the greater mystery. She says, Many levels of truth may be discovered within the entries of this book, reflecting new wisdom each time they are read...appreciate the ring of profound words to further deepen your experience with them. - See more at: [http://www.caroleparrish.com/?page\\_id=760#sthash.pwIf4y7p.dpuf](http://www.caroleparrish.com/?page_id=760#sthash.pwIf4y7p.dpuf)
