

NOTE: The Fourteenth edition for 2010 is now available for purchase. Managed Medicare and Medicaid Factbook has current and historical statistics so you can: -Make plan-by-plan or state-by-state comparisons, -Forecast trends to develop profitable bids, -Proactively minimize the blow caused by MA program cuts, and -Sustain growth and expand enrollment in MA prescription drug (MA-PD) plans and stand-alone Prescription Drug Plans (PDPs). Managed Medicare and Medicaid Factbook features practical information on a range of specialized areas, including: -Results of AISs annual Survey of Medicaid Pharmacy Directors -The increase in Special Needs Plans and the subsequent consequences to Medicare and Medicaid. -The ongoing legislative battle over SCHIP. -The rise of private-fee-for-service plans, and attempts to limit their flexibility. -Which Medicare and Medicaid plans had enrollment gains or losses during 2007. -New market entrants and mergers in managed Medicare. -What companies won new Medicaid managed care contracts in 2007. -What cost-containment strategies Medicare plans tried in 2007 and how they succeeded or failed. -And much, much more. See complete Table of Contents below.

Table of Contents
