

Art of Claudia Hek

Thick lines and lovely ladies, that's what Dutch self-taught artist Claudia Hek, age 35, is all about. Inspired by Pop Art, oldschool tattoo imagery and 40s & 50s pin-ups Claudia Hek's work reflects her view of beauty that sends a bright spark into the world. Using bright colors and primarily women's figures in all manner of professions (pirate wench to gun-slinging bandit), Claudia has created a new vision of these timeless subjects by evoking the raw modern passion of a bygone era in her paintings.
