

## The Best in Cutting Edge Typography

Beautifully illustrated. Measures 9x12 inches. Explores how contemporary typographers are experimenting with type, illustration and photography, from magazines and annual reports to posters and television advertising. Surveys over 200 of the worlds most challenging designs, showing their influences and discussing the creative process. He includes detailed research of some of the projects and traces their stage-by-stage development, from initial brief to final artwork. This book also features interviews with designers and contains a resource of typefaces, styles and creative techniques. 224pp.
