

## The New leadership Challenge: Creating the Future of Nursing

AJN Book of the Year 2009  
Whatever your role, practice or educational environment, here are the tools and techniques you can use to realize your leadership potential, advance your career, and contribute to the future of nursing. Two noted educators in the field of leadership development use an easy-to-read, interactive approach to guide you through the process. They identify the characteristics of leaders and followers and illustrate not only how, but also when to use the qualities associated with each to achieve professional and personal success.
