

The Very Breast of Dolly (No. 3)

Dolly's a very good girl - she's just drawn to be bad! With a body that defies both logic and gravity, our girl's curves have caused men to drive up onto sidewalks just to get a better look! Dolly's daddy, Blas Gallego created his little darling in a series of full page comic strips that details the daily bump and grind of life as a sex magnet! Much beloved throughout Europe, this little darling is making a trip across the seas to an all-new collection of her mis-adventures. The Very Breast of Dolly contains the entire run of Dolly, and as an added bonus, an orgy of orgies - Gallego's amazing series of full color paintings chronicling the history of excessive sex!
