

Touched by a Nurse: Special Moments that Transform Lives

Nurses narrate personal stories and encounters offering the opportunity for all nurses to be reminded of those meaningful events that constitute nursing. Real experiences enhance the image of nursing by presenting the special elements of the relationships between nurses and the people in their care. 126 vignettes from nurses around the world and in a variety of disciplines come together in this text to show how the drama of the daily life of nursing brings about universal, spiritual lessons. This is the perfect resource to show your students the human aspect of nursing and a perfect gift for a colleague or yourself!
